

Verband für Spacial Dynamics® Europa e.V.

Spacial Dynamics® Level II Course

October 21st – October 23rd, 2022
in Ludwigsburg, Germany with Susanne Wanke and Bernard Thiry

Theme: “Mastery of Spacial Dynamics® Exercises and their Therapeutic Application”
Pedagogical, therapeutic, and general course

Short description:

This course is for those who want to refresh or deepen the exercises using the Spacial Dynamic® principles.

We'll also look at the therapeutic aspect of some of them.

There will be a lot of movement!
